atate high school basket ball tournament, which was to have been held in Lincoln during the latter part of this month. All arrangements for the games had been made by Manager Eager, and eight schools had agreed to enter teams. Lincoln high

had arranged his schedule to enter the contests, but, after all the preliminaries had been made, the management of the Omaha High school five refused to change its date for a game with Lincoln, and thus destroyed all hopes for a 1910 tournament. The dates set for the tournament were March 18 and 10. Early dates would not

have permitted the teams to get ready for the games, so these later days were settled upon. For March 19 Lincoln is scheduled to meet the Omaha, high school quintet. in Omaha, but at first it was thought the Omaha management would agree to change the date for this game. Lincoln was willing to call off the meeting for this year.

POUR-JUMP PLAN FOR THREE-I New Scheme Will Allow Four-Visit Schedule for Teams.

CHICAGO, March 2—It was practically decided at a meeting of the Three-I Hase Ball league here today to adopt a "four lump" instead of the "three fump" schedule, hitherto in vogue. This will enable each of the eight clubs comprising the league to visit all of the other towns in the organization four times during the season instead of three. Although the "mileage" cost to each team would be increased by the proposed change, it was

Stadium and Big Gymnasium for Creighton

Plans Being Drawn for University Contemplate Elaborate Equipment for Athletics.

Creighton university is having plans drawn for a new stadium and also for a \$50,000 modern gymnasium. The stadium and athletic field is to be completed in time for the foot ball season at the opening fall term of school.

The athletic field is to be made most complete and as soon as grading is resumed on Twenty-fourth street, the author itles will get enough dirt to finish out the field for a short distance where it was not completed last fall. The athletic field is to have a running track, a foot ball field a base ball field and five tennis courts. The stadium will be built on the Twenty seventh street side of the field and will face east. It will be of concrete and will accommodate 6,000 people.

While the gymnasium will not be built at once, the plans are now being drawn. It is to cost \$50,000 and is to include everything desirable, with an indoor running track, commodious baths with a plunge and every other modern appliance.

PROFIT BY OTHERS' EXPERIENCE Gray Hair Restored Grew Hair on a Bald Mead

My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me centinually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped fall-ing out and gradually came back to its natural color. It is now a nice dark brown coler, soft, glossy and pliable. Several of my friends want to use it, and I want to

know what you will charge me for six bottles of it.

MISS E. A. ROSS,
Sharon, Mercer Co., Pa.

For two or three years my hair had been falling out and getting quite thin until the top of my head was entirely bald. About four menths ago I commenced using Sage and Sulphur. The first bottle seemed to To some good

and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement. STEPHEN BACON,

Rhaumatism is a disease of the blood, and its cure depends entirely upon a

thorough purification of the circulation. As long as the blood remains as urated with uric acid, an inflammatory condition of the nerves, muscles and tendens of the body will exist, and the pains, aches, soreness, and hot, feverish flesh of Rheumatism will continue. The one safe and sure cure for

Rheamstism is S. S.S. It is nature's remedy for this disease, made entirely

of the healing, cleaning juices and extracts of roots, herbs and barks from the natural forests. S. S. S. does not contain anything that is in the slightest

way injurious to the system. It is absolutely and purely vegetable, and free from opiates or sedatives of any kind. S. S. S. cures Rheumatism by removing the uric sold from the circulation, it makes the blood pure, rich

and healthy so that instead of depositing sharp, uratic impurities into the muscles, nerves, joints and bones, it nourishes every portion of the body with natural, healthful properties. Book on Rheumatism and any medical

advice free to all who write and request it.
